FULL-TIME CONSULTING FORESTERS AFFIDAVIT

To assist the public, Foresters whose names are preceded by the (tree symbol) icon on the website have signed an affidavit stating that they are a Consulting Forester based upon the following definition and standard:

A Consulting Forester is a Registered Forester whose principal business activity is forestry consulting work for the general public on a fee or contractual basis with no economic interest or participation in a timber purchasing or procurement entity. A Consulting Forester cannot purchase timber or participate in logging activities and represent the best interest of a client. The penalty for fraudulently using this symbol to portray oneself as a Consulting

Forester will be a \$500.00 fine for the first offense and shall double with each additional offense.

I CERTIFY that 100% of my working time is spent performing professional forestry services on a fee basis to the general public, that I offer services to the public rather than a single full-time employer, and that my primary business is consulting forestry.
